3.0 Licensing Objectives

3.1 When submitting an application for a premises licence under the Licensing Act 2003, the applicant is required to describe any steps they intend to take to promote the four Licensing Objectives as defined by the Licensing Act 2003. The Operating Schedule detailing these steps can be seen in the application form. This is included at Appendix 1.

3.2 A layout plan of the premises is included at Appendix 2.

4.0 Consultation Process

4.1 The Licensing Act 2003 requires applicants to advertise both on the premises, and in a local newspaper in order to inform the public of the application. A number of “Responsible Authorities” have also been consulted as part of the
process, allowing a consultation period of 28 days for representations to be made.

4.2 In this instance, as a result of the consultation process, a number of representations have been received. These are detailed at Section 8 of this report.

5.0 The Decision Making Process - The Licensing Objectives

5.1 In their decision making, the Licensing Sub Committee must act to promote the four Licensing Objectives. All carry equal weight as part of the process. The Licensing Objectives are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

6.0 Eastbourne Borough Council’s Statement of Licensing Policy & Section 182 Guidance Issued

6.1 Copies of the Council’s Statement of Licensing Policy have previously been circulated to Members. A copy is also retained in the Members Room or can be downloaded from www.eastbourne.gov.uk/licensing.

6.2 Whilst each application will be considered on its merits, the Licensing Sub Committee will have due regard to the Eastbourne Borough Council Statement of Licensing Policy 2011 – 2014, and Section 182 Guidance issued by the Department of Culture, Media and Sport, (revised in April 2012), and must act to promote the four Licensing Objectives.

6.3 Eastbourne Borough Council’s Statement of Licensing Policy outlines the matters that the Authority will consider when determining matters under the Licensing Act 2003. An overview appears below.

6.4 The Prevention Of Crime and Disorder

The Council’s Statement of Licensing Policy states that the Operating Schedule should include steps to ensure the deterrence and prevention of crime and disorder on and in the vicinity of premises. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

6.5 Public Safety

The Statement of Licensing Policy states that the Operating Schedule should include steps to ensure the physical safety of patrons. This might include the imposition of conditions regarding capacity and mechanisms to promote responsible drinking. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

6.6 Prevention of Public Nuisance

The Statement of Licensing Policy states that within the Operating Schedule,
applicants will be required to demonstrate how they intend to prevent nuisance arising, disturbance occurring and mechanisms to protect amenities. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

6.7 Protection of children from harm

The Statement of Licensing Policy requires that operating plans must specify the measures and management controls in place to protect children from harm. Conditions can be placed to restrict access to children from accessing the premises during certain times or when certain licensable activities are taking place. The restriction of types of licensable activity, hours and imposition of conditions may be considered and applied as appropriate.

7.0 Cumulative Impact

7.1 The premises in question is located within the Cumulative Impact Zone. It is recognised that the impact of the number, type and density of licensed premises in a given area may lead to problems of noise, nuisance, crime and disorder outside of, or a distance from licensed premises.

7.2 Cumulative Impact is defined as the “potential impact upon the Licensing Objectives of a significant number of licensed premises concentrated in an area,” and is a proper matter for consideration by the Licensing Authority.

7.3 The Licensing Authority may receive representations from a Responsible Authority or 'Interested Party' that the cumulative effect of licences is leading to an area becoming saturated. This creates exceptional problems of disorder and nuisance, over and above the impact from individual premises which undermines the promotion of one or more of the licensing objectives.

7.4 Where valid representations are received, the Cumulative Impact Policy creates a rebuttable presumption that the application will be refused.

It is for the applicant to address the Cumulative Impact Policy and produce evidence to demonstrate that the matter:

(a) Will not add to the cumulative impact caused by licensed premises and challenges already experienced in the area;
(b) Will not undermine the promotion of the Licensing Objectives.

7.5 The Cumulative Impact Policy clearly states that licence applications in the Zone should be refused, unless Members are satisfied that the applicant has provided evidence to show that premises will not exacerbate existing issues in the locality, or undermine the promotion of the Licensing Objectives.

7.6 The full Cumulative Impact Policy can be found within the Council’s Statement of Licensing Policy 2011 – 2014. Copies are available at www.eastbourne.gov.uk/licensing, in the Members Room and will be provided at the hearing.

8.3 The Sub Committee may also consider any other matters that may negatively impact upon the Licensing Objectives and exercise their powers to impose conditions, or take the appropriate action as they see fit, in order to promote the Licensing Objectives.

8.4 In determining what, if any, conditions should be attached to a licence, these should only be imposed where it is considered necessary, proportionate and reasonable on a case by case basis.
8.5 The applicant, “interested parties” and/or Responsible Authorities may also suggest conditions to address concerns as a means to promote the Licensing Objectives.

9.1 The applicant sent an email with suggested revised changes to opening hours and the permitted hours for the sale of alcohol to Sussex Police and the Licensing Authority on the 17th April 2013. 10.0 Options open to the Sub Committee

10.1 The Sub Committee must have regard to the following:

- Eastbourne’s Statement of Licensing Policy 2011-2014;
- Statutory guidance as amended in April 2012, under Section 182 of the Licensing Act 2003;
- Representations from the proposed Premises Licence Holder and/or the Designated Premises Supervisor;
- Representations from any Responsible Authority;
- Representations from “interested parties”;
- Representations from Ward Councillors.

10.2 The Licensing Sub Committee must take the steps it considers necessary for the promotion of the Licensing Objectives and may:

- Grant the application in full as requested;
- Grant the application but modify it:
  - By altering hours or activities;
  - Adding conditions as necessary, or
  - Omit parts as considered necessary for the promotion of the Licensing Objectives.
- Reject the whole or part of the application.

11.0 Legal Considerations

11.1 The framework for the issue, variation and/or modification to applications is made under the Licensing Act 2003. The Department for Culture, Media and Sport has issued Guidance under Section 182 of the Act, amended in April 2012. This Guidance is provided in order to assist the Council in carrying out functions under the Act.

11.2 Furthermore, the Licensing Sub Committee must have regard to Eastbourne Borough Council’s Statement of Licensing Policy 2011-2014.

12.0 Human Rights

12.1 The provisions of the Human Rights Act 1998, must be borne in mind by the Committee when taking licensing decisions under the Licensing Act 2003. Particular regard should be had to Article 1 of the First Protocol, which relates to the protection of property and the peaceful enjoyment of possessions and property, and Article 8 - which relates to the right to respect for private and family life, home and correspondence - should also be borne in mind. While the Human Rights Act makes it unlawful for a local authority to act or to fail to act in a way that is incompatible with a Convention right, Article 1 of the First Protocol and Article 8 are both qualified rights which means that interference - to a justifiable extent - may be permitted as long as what is
done:

☐ Has a basis in law;
☐ Is intended to pursue a legitimate purpose
☐ Is necessary and proportionate; and
☐ Is not discriminatory.
