| Conferences and Group Travel | Adequate        | • The contract template needs to be reviewed  
• Retention of documentation needs to be improved  
• Official names and addresses of businesses were not routinely requested or retained.  
• The payment terms written into the contracts do not reflect those followed in practice. | Due Oct           |
| Benefits (Annual 14/15)    | Well            | • Testing showed cases where overpayments were not being highlighted for recovery action                                                                                                                     | N/A               |
| Council Tax (Annual 14/15) | Well            | • The suspense account is not regularly checked and cleared.                                                                                                                                                 | N/A               |
| IT (Annual 14/15)          | Inadequate      | • Some gaps noted in an earlier IT Health check had not been addressed  
• There is no current Disaster Recovery Plan  
• There is no current Business Continuity Plan.                                                                                                                                                           | N/A               |
| Licences                   | Inadequate      | • No taxi licensing policy is in place.  
• In some cases the Police had not been informed of suspended premises licences.  
• In some cases there was no record of the consent form from the Designated Premises Supervisor.  
• In some cases there was no record of criminal record disclosure checks.  
• Debt recovery was found to be inconsistent.  
• A process is not in place to ensure that taxi vehicles over 7 years old have biannual checks.  
• Some vehicle suitability checks on file were found to have not been correctly completed.                                                                                           | Due Oct           |

| Software Compliance | Adequate        | • No structured process for obtaining and retaining licence statements.  
• No evidence retained of audits carried out by external agencies.  
• No central register retained to log: software held, no. of licences, no. of users.  
• No of reviews of no. of users actually accessing the software. | Due Mar            |
| CHRIS            | Well            | • Records are retained indefinitely.                                                                                                                                                                             | Due Jan            |
| Contact Centre   | Adequate        | • Apparent time lags in loading scripts.  
• Some confusion over evacuation procedures.  
• Documents being photocopied and then scanned.  
• A need to remind staff of data security issues.  
• Lack of Business Continuity Planning.                                                                                      | Due Mar            |
| Seafront Services| Well            | • Safe is of an old design and insured for less than it holds.  
• Wifi provider is not being regularly invoiced.                                                                                                                                       | Due Feb            |
| Procurement      | Inadequate      | • 22 suppliers with large (£75k+) annual expenditure but no contract in place.  
• 43 suppliers with a medium (£25 to £74,999) annual expenditure but no contract in place.  
• Unclear if all payments to main IT supplier are within the scope of the contract. (This was later checked by the Senior Head of Projects, Performance and Technology and payments were found to be correct and within contracts).  
• No comprehensive and up to date contracts database | Due Feb            |
